The Rise and Demise of South Africa’s second Veterinary Faculty

Neville Owen
Medical University of Southern Africa (MEDUNSA)
Medical Faculty. University of Natal 1948 (HWU)

- Black preference/ Blacks only
- Separate facilities. Apartheid education ideology
- v/d Walt Committee (inter-departmental) (1955)
- Government Dept. Unisa degrees
- Public outcry
Van Dyk inter-departmental committee (1963 & 1966)

- Investigate agricultural training facilities for blacks
- Medical {Umlazi; UDW; UWC; Ga-Rankuwa (U North?)}
- Need for vets and other professionals
- Veterinary faculty/Univ. of Fort Hare/Onderstepoort
The Power behind the Throne..

• Jansen goes to America (reported Jan. 1968)

• Plugs doubling OP intake & training black vets.

• HO Mönnig. One-man committee (Vet education) April 1968
  ➢ Inputs: Jansen; Lambrecht; UN; US; Fort Hare; OFS, Rhodes.
  ➢ SAVMA (HP Steyn)
Mönnig report on veterinary education
(21 March 1969)

- Double intake at OP faculty (45 to 90)
- Create vet school for blacks
- In homeland close to OP faculty
- Share teachers and facilities
- Jansen Committee (July 1972)
Jansen committee report
(April 1974)

- +5 vets p.a.; animal health inspectors
- Autonomous inter-ethnic: vet + medical + dental institution.
- Vet faculty – separate campus: Zoutpan 104.
- Bophuthatswana
- OP 30 km. UP assistance: carbon copy of OP faculty
Van Zyl/Jansen Reports

- Ga-Rankuwa regional hospital
- 1500-2000 bed. Upgrade to academic std.
- Inter-ethnic autonomous univ. MEDUNSA.
